LIFE CHANGE STORY | EASTER 2021

E2's Easter Egg hunt was more than just about a fun event. It was a life changing event for my family & I.

Before attending the Easter event, I was far from walking with God and had no intention of doing so. But God had other plans for me. I brought my daughter to enjoy the Easter events and activities. Everyone was so welcoming and friendly. They made us feel very comfortable as if we were already a part of their family. The most important impact that we left with was my daughter asking me to bring her to church because she wanted to learn what it was all about. We visited the next weekend and have been coming ever since.

During the Easter Egg Hunt, I truly saw that I needed God back in my life and shortly after the Egg Hunt, I gave my life to Christ. My life has changed for the better ever since by gaining new friends (that feel like family), peace, and a life full of purpose.
